Thank You to volunteer Seamus Fitzpatrick for designing a brand new website for Archery NI. The site is now live, so go to www.archeryni.org.uk to check it out. Contact admin if you have ideas for other information to be added.

Congratulations to the ANI Spinathon team – a total of £750 was collected in sponsorship money for the Mary Peters Trust. Thanks to those members and friends who sponsored the riders.

National Talent Development Programme - Sunday 24th March 2019

If you missed the January event, you can still engage on the programme. Athletes are supported through targeted training programmes and competitive opportunities, are tracked and assessed through their development on key elements in order to monitor progress. They will also undergo benchmark testing. Managing yourself as a performer is key to long term success and NTDP is aimed at supporting that too.

If you are ready to participate contact the NTDP Co-ordinator, Hazel at hazel.campbell@archeryni.org.uk

All Ireland Field Championships successfully completed

Despite the variable and at times extremely wintery weather conditions at Tollymore Forest Park the all-Ireland competition was well attended and ran very successfully. Thanks to Ballyvally club for hosting. Don't forget to keep looking at the ANI Tournament calendar for all upcoming shoots.

ANI is starting to get requests for have-a-go and publicity events, so clubs may be receiving requests to volunteer for these. Apart from good opportunities to advertise the benefits and fun of archery, there's always the chance to recruit more members. I urge clubs to look positively on these requests and step up to help when possible.

Shoot well and enjoy the sport from **Marc Scott, ANI Chairman**

The ANI Board maintains clear and open communication channels, so if you have any issues, send these to either the Secretary or directly to the Chairman. If you want more of a say in key decision making in your sport, there are still opportunities to join the Board or one of the new committees being established.
