

## **Come and join us on Saturday 15<sup>th</sup> June for the Archery NI Inter Club Championship 2018**

**Lisnagarvey High School, Lisburn  
Commencing at 9.30am**

This shoot is open to all Archery NI affiliated clubs and will be a fun day appropriate for all club members irrespective of age, experience or bow style. The competition is for teams of 4 to 8 club members. Scores will be normalised, applying factors to account for age, gender, bowstyle and distance selected. The top 4 scores in each team will count in the interclub competition. Clubs may enter more than one team.

The shoot will consist of 96 arrows, shot in 3 arrow ends, 48 in the morning and 48 in the afternoon. The morning round will be shot at 80cm standard target faces at a choice of 4 distances, 20M, 30M, 40M and 50M. Each archer selects which distance they want to shoot at. The Afternoon session will be shot at 122cm faces at a choice of 4 distances, 30M, 40M, 50M and 60M. Again, each archer chooses which distance they want to shoot at. The top 4 adjusted scores in each team will be taken for the two sessions and the highest total will win the team prize.

This is intended as a fun shoot that will be something that all members of your club will feel able to participate in. We hope to have a barbeque running to enjoy some food and some craic through the day. Looking forward to seeing your club there.

Please complete the entry form as a club. If your club intends to enter more than one team then please complete a separate entry form for each team and select a different name for each time such as East Belfast A and East Belfast B.

Target Fees are £12 per Adult team member and £8 per Junior Team member. These are payable by cash on the day of the shoot.

Please complete the table on the following page including all the information required in each column of the table. This will be used to select the appropriate factors for each of your team members. If a team member is under 18 then please indicate their age at the date of the shoot. Otherwise please indicate if the archer is and Adult or a Master. A Master is an athlete in the year of their 50<sup>th</sup> birthday or thereafter.
