Training Opportunities for Coaches

National Talent Development Programme – Archery GB

This is a programme was launched in January and was very successful. It enables Junior archers to come in at beginning level and there is training for both archers and coaches. Lloyd Brown providing the support for the Coaches. Six archers moved up from this Talent Programme to the Academy.

Northern Ireland Performance Academy – Archery GB

This is part of the Archery GB Performance Pathway and is open to any Junior archer which meets the criteria set by the Performance Manager.

Archery NI Way Forward

On a few occasions this year archers met at Lisnagarvey High School for training, this was run by Archery NI. It is hoped that this will be increased this year and that more archers will come along and let us know what they need.

Good shooting everyone.
